

SOUTHLAND SPORTS CAR CLUB

NEWSLETTER *June 2010*

President's Report

The most time consuming project this year is the progression with design of our new tower.

To the go forward group who helped get us to the concept stage, your expertise in your specialty area has been invaluable.

Employing Southern Quantity Surveyors to get us to the next stage has worked well.

Four fixed price tenders from Architects Structural engineers and Electrical consultants were called.

Three were received and the lowest tenders accepted on the 12th of May.

Successful were –

- McCulloch Architects Ltd
- Stevenson Brown Ltd – Structural Engineers
- Pederson Read Ltd – Electrical Engineers

We are progressing well and hope for club endorsement at this AGM to build our new Tower which will help secure our future at Teretonga Park. A big thank you to Howard and Wayne who have worked closely on our project and attended many meetings as required.

To our paid employees, Norma and Dave, another great effort this past year.

To all our Volunteers in all departments your untiring willingness to help run this club is truly amazing.

To our very own Tasty Tarts, the tradition of great food and service from our own kitchen makes us unique as we are the only club still doing it this way. Great Work. Team leader Jenny is handing over to Ann Rosel, thank you both for your commitment.

To our many Sponsors and Supporters a big thank you.

Having a great Executive Committee who take on tasks with enthusiasm has helped me immensely, especially while our tower project consumes much time. Thank you to all Executive who have indicated their willingness to put their hand up for another year thank you and good luck.

To our long serving Exec members Wendy Jenks and Paul Rosel, who wish to stand down, the huge effort put in over many years has I'm sure contributed greatly to our club's success. We look forward to your involvement in future club activities. Barry Leitch is also standing down from Club Captain as Damon and Brendon's consumes more and more of his spare time.

At our recent 3 yearly FIA track inspection, John Symes (UK inspector) summed it up by saying that on entering our facility it was obviously a much loved circuit.

I am enjoying my role as president and would like to put my name forward for re election.

To any new Executive members welcome, the challenge will be rewarding.

Cheers

Noel Atley

Race Committee Report

Since the last newsletter we have only had one meeting, mainly to discuss the upcoming season.

The dates have now been confirmed and are as follows –

18 September 2010	Endurance Series
19 September 2010	Clubmans, Sports & Racing, Pro 7 Saloons, Motorcycles, Karts
7 November 2010	Clubmans, Sports & Racing, Super Six, Sports Saloons
4/5 December 2010	Clubmans, SI Formula Ford, Sports Saloons, SI Pre 65, Pro 7, OSCA, Super Six, Mini 7 South, Super Touring Cars
14/15/16 January 2011	National V8's meeting
19/20 February 2011	Evolution Motorsport Classic Speedfest
19/20 March 2011	Clubmans, SI Formula Ford, SI Pre 65, Super Touring Cars

Also at this meeting, we discussed the past season and some of the comments that had been received from competitors, both positive and negative. Because of this, the Race Committee has decided to have an open Drivers Meeting at Teretonga Park on Thursday 29th July 2010 at 7.30pm. All club members, competitors, and officials interested are welcome to attend to discuss matters pertaining to race meetings. We would prefer that you brought any issues or ideas to us rather than hearing it second or third hand from others. Your feedback is important to ensure that we continue to have successful meetings at Teretonga.

As I am standing down as Race Chairman after a lot of years, I would like to thank the Race Committee for all their hard work behind the scenes, all the members, officials, sponsors, Dave, our caretaker, and his crew and Norma as secretary and everyone else who has helped me over the years.

I will still be around helping on race days (you can't get rid of me that easy!!!!)

Wendy Jenks

Teretonga Race Committee Chairperson

Motorsport NZ AGCM Report

The Motorsport New Zealand 63rd Annual General Council Meeting was held in Wellington on the 21-22 May 2010. Noel, Norma and myself (Wendy) attended this on the Club's behalf.

We left early Thursday 20th May as we had a Circuit Commission meeting at Motorsport House. This is a very informative day with circuits sharing knowledge, ideas and issues. It was great catching up with the other circuits as we had not had a meeting for over a year.

On the Friday, the conference started at Te Papa Museum – what a great venue. As in the past, all the commission meetings were held, i.e. Race, Rally, Clubsport, Health and Safety, and Classic and Historic as well as a finance meeting. We were represented at all of the meetings, except Rally, which kept us all busy as most of the meetings overlapped. There were not a lot of remits but there was a lot of discussion on fuel. If you want any information about any of the remits, feel free to give any of us a call.

On Saturday the Council Meeting was held with Steven Kennedy presiding for the last time. There were only half a dozen remits with most of them being lost. There was one that suggests that the AGCM moves around the major centres which the Executive are going to look into. There was only one position that needed to be elected and that was on the Clubsport Commission. Errol Hewlett was re-elected which is good for the south. Steven stood down and Shayne Harris became the new President. Other positions are –

Vice President Raymond Bennett
Executive Committee Wayne Christie
David Kirk
Norman Oakley

During the day, we also managed to have a meeting with NZ F5000, The Motorsport Company and the Classic Motor Racing Club. We also had some good discussions with South Canterbury and Canterbury Car Clubs.

All in all it was an excellent conference and well worth us attending.

Clubsport Report

On 13th June we held a Motorkhana/Bent Sprint event which was the last clubsport points meeting of the season and I feel it was one of the most successful, with a good turnout of competitors and everyone enjoying themselves. Congratulations to all of the winners and thanks for everyone's support. **Keep in mind that points earned in Clubsport go towards overall club championship.**

On Sunday 27th we held a Public track day combined with the Southland Motorcycle club. While the number of participants wasn't high it was good to get together with other car and motorcycle enthusiasts and once again everyone had a good time in a well controlled, safe environment. We may even gain some new club members from these public days which would be a bonus.

Finally as Clubsport co-ordinator, I would like to thank all of those people who helped during the season, the events just wouldn't happen without you. If anyone else would like to help, please contact me (Robert 2130772) or Norma at the Teretonga office. The tasks involved aren't too onerous and it is a good way to get to know your fellow club members.

The dates for Clubsport are organised and on the calendar for next season. See you there!

Robert Ralston
