Newsletter April 2018

President's Note

With the end of financial year rapidly approaching, it's great to be able to look back over the past year, and my first as President, and realise that we have had a reasonably productive and successful year.

The banking over at the hairpin is coming along nicely and will be a real asset to the club. Many thanks go to Downer for their ongoing commitment to this project. As well as this, the Executive Committee has been looking at a number of projects/improvements that will benefit the club now and into the future.

The AGM will be held in the Clubrooms at Teretonga Park on Monday 2 July at 7.30pm and I look forward to seeing you there. Full details along with a nomination form for the various positions on the Executive Committee can be found later in this newsletter.

Rachael Beck
President

Two Champions

As the 2017/2018 season nears its conclusion the club can claim two National Champions.

Liam MacDonald won his second successive Class 2 BNT V8's Championship at Hampton Downs early in March. MacDonald was the defending champion after a dominant performance the previous season but had a tougher run this season as he attempted to make it back to back titles. Some bad luck, particularly at the South Island rounds in the Speedy Signs Ford Falcon, made this year's campaign a lot tougher but the title was still secured in the final race of the season.

As you will see in Stacy's Clubsport report, later in March Rachel Lawrie won the Women's Trophy in the National Clubsport Championship in Christchurch. It was Rachel's third attempt at the Nationals. Her first was in 2014 at Waimate in what was just her second ever event while she also entered when the championships were held in Invercargill in 2016.

On that occasion she was the first lady but at that time the ladies title was not officially recognised. After that, Motorsport New Zealand officials expressed their desire to formalise a ladies championship and this year that came to fruition.

Rachel admits it is pretty cool to be officially recognised and awarded and extra special to be the inaugural recipient.

Action shot – Euan Cameron

Rachel's husband Andrew finished fourth overall at the Nationals while Cameron Morison a former Club Member who won two previous National Titles while a member of the club took his third overall title while offering plenty of assistance to Rachel as he did so.

Other Top Achievements

Brendon Leitch picked up two race wins in the red hot atmosphere of the Castrol Toyota Racing Series while in South Island F1600 Ethan Anderson held the overall series lead going into the final race of the season. Sadly he had a DNF which dropped him to third in the points. Noel Atley was the runner-up in Class 2 and Joseph Oliver was runner-up in Class 3.

Race Committee

Our 2017/2018 race season is now complete and the season went relatively well. We had to cancel one of our early season meetings due to a lack of entries but the rest of the season went well with our three big meetings (the South Island Endurance Round, Speedworks Events NZ Premier Championship and the Evolution Motorsport Classic SpeedFest, going well with generally good numbers.

Locally, our Clubman Saloons numbers were down and once again the Sports & Racing Car Class struggled. Points for the season are below.

I want to thank all the volunteers who helped throughout the season, we couldn't put on the events we do without you.

Planning is well underway for the 2018/2019 Season and to assist us with this we have scheduled a Drivers Forum on Wednesday 16 May. Please do take the opportunity to attend this so that we can get your feedback and input to help us to plan for the coming season and into the future.

We can also confirm our first race meeting date for the new season. The 2018 Carters Tyres South Island Endurance Series will take place on Saturday 15 September. However there will be no racing on the Sunday of that weekend for other classes this season.

ClubSport

We have been back in the swing of things since early February but unfortunately just missed the last Newsletter with results etc.

Rounds 4 & 5 of the Evolution Motorsport ClubSport Championship are run and done, again throwing up some tight results. Liam MacDonald & Andrew Lawrie trading blows for the overall Motorkhana wins leaving 9 points between them going into the final round.

Autocross has seen a mix of courses that has seen the points shared around a little in the overall standings. Andrew Lawrie left the EVO at home but still challenged hard in the Mirage and Craig Allen pulled out a blinder to take the overall win in Round 5. Travis McPherson has his FXGT humming with a clean sweep in the under-1600cc class in the season to date.

We have one round to go on April 21st and there are still positions to play for with any absence or DNF having a huge impact. This round will be a joint one with our friends from Eastern Southland Car Club so we are looking forward to sending this season off with a big field.

In between Rounds 4 & 5 the ClubSport Nationals were hosted by the Canterbury Car Club. SSCC members Andrew & Rachel Lawrie flew the southern flag and represented us well yet again. Andrew managed a very respectable 4th overall on a mixture of grass & seal tests across Motorkhana, Autocross and Bent Sprint disciplines. The big news of the weekend was Rachel claiming the Women in Motorsport NZ ClubSport Champion's title! A fantastic result, for an absolutely, deserving competitor.

Former SSCC member and ClubSport friend Cameron Morison once again took the overall Gold Star Trophy.

February also saw our second Bent Sprint for the year. Unfortunately entries were not high with 13 cars for the day, many from ESCC. A well run day with a nice open course saw some close times across the group with Andrew Lawrie getting the Mirage home in first. Clearly it is not a desired format for many so we'll review the viability of running these next season.

As always, we're keen to hear any thoughts or ideas to meet competitors interests, so if you have anything you'd like to add, please feel free to let me know.

Thanks
Stacy

Preparing for Corsica...at Teretonga

Possibly the last place on the planet that you would expect to see someone preparing for the Tour De Corse, the French round of the World Rally Championship on the island of Corsica, is Teretonga Park... but that is exactly what happened recently.

Invercargill born, Tauranga based, Junior World Rally Championship competitor Dave Holder spent a day last month attacking a combination of the access roads on the infield at the circuit preparing to tackle the tight and twisty roads of Corsica, Round 2 of his JWRC campaign.

There is little doubt of Holder's rally credentials but the 2016 NZ Rally Champion has no competition experience on tarmac. Using a BMW Mini loaned to him by Scott O'Donnell he was able to make the most of an opportunity to do so.

"I am very lucky to have the car to practice in thanks to Scott. It is the car most similar that I could use to what I am running at Corsica – a left hand drive, front wheel drive, small car. Realistically they are still poles apart but it was a perfect day with rain in the morning and a dry afternoon. We were able to experience all ranges of grip with slicks and wets in the various conditions."

Dave started his campaign with an 11th place finish in the snow in Sweden and subsequent to his visit to Teretonga he went on to finish in Corsica, dubbed the rally of 10,000 corners on tight and twisty mountain roads. Next up come gravel events in Portugal, Finland and Turkey - and most importantly conditions he is very much familiar with. While in the south Dave announced a partnership with the HWR Group and tells us he would not rule out a return to Southland in time.

Never A Dull Moment

The last couple of months have again seen plenty of interesting visitors to the circuit. The Kiwi Coupe certainly fitted that category. Owned by Owen Jones of Otago and Chris Barnes of Riverton in Southland, the car is a steel bodied 1934 Plymouth Coupe which the duo and their team are preparing for August Speed Week at the Bonneville Salt Flats this year. Powered by a 427 cubic inch twin carb big block V8 Chev producing around 800hp this impressive machine came to Teretonga for testing in March.

Playday on Track, from the North Island, have visited twice – once with an impressive line-up of around 65 cars before they returned with a bevy of bikes, drivers and riders enjoying the performance of their machinery in a

relaxed, controlled environment. The Playday on Track tours take in various circuits around the country with Teretonga being a firm favourite with many.

The Rotary Drive A Dream Day is always popular while Easter saw no let up with Southern Dragways racing on Good Friday and the NZ Jaguar National Rally on track on Easter Sunday.
