Newsletter April 2017

President's Note

With the end of our financial year just around the corner on 30 April and the AGM on 3rd July, I look back over the past year and marvel at how much we have achieved.

The completion of the Control Tower lift has been a huge success with many of our club members & volunteers making use of it. Once again thank you to Jack for his very generous contribution towards it.

During the last off season we had the ditch adjacent to the entrance road piped and filled in which has improved the view from the entranceway massively. We also replaced the grass area in the pits with hard fill and levelled it so no more puddles in that area.

Thanks to Downers, along with Oz and Noel, the spectator bank at the Sievwright Hairpin is looking amazing and continuing to expand. Downers are also assisting with building our autocross track behind the banking.

Upgrading the hand-held radio's to the digital system has proved to be invaluable at events with clear communication around the circuit for the first time in a couple of years. Again, contributions from ILT Foundation and the Community Trust of Southland greatly assisted this project.

Air conditioning units on the top two floors of the Control Tower have now provided much better working conditions – anyone who ventured up to those floors on a fine day will understand how tough it was for all who work up there.

We have also just upgraded our AMB MyLaps Timing system to the latest X2 version and look forward to using that come September.

Congratulations to Nick Hamlin for being appointed to the MotorSport New Zealand Board in an independent capacity, and to Liam MacDonald for clinching the Class Two NZ Touring Cars Championship. Also to all our club members who have performed with distinction in their various series around the country – very well done.

Sadly we farewelled long-time club member and racer, Colin Dawson, and past club member, Brian McIlwrick. We extend our deepest condolences to both the Dawson and McIlwrick families.

Looking to the future there is still plenty to do to keep improving the facility to keep Teretonga Park as the place to come for a great motorsport experience.

Thank you to Norma, Russell, the Executive Committee, Race Committee, Volunteers and Sponsors, for all your hard work and assistance over the past year.

Dean Maw
President

Race Committee

Another great season is over and I would firstly like to thank the committee of Lenard, Daniel, Noel, Norma, Rachael, Tony, Wendy, Paul and Dean, who have all done an amazing job this season. Secondly, to all the volunteers who turned out at each Race Meeting, a huge thank you, we couldn't run our race meetings without you. And last, but not least, thank you to all the competitors and crews who have this year travelled from far and wide to provide some truly amazing racing.

Three seasons ago we started what we call "Last Man Standing" and the first one is still going at this stage. We have three running at the moment and will start another one at the beginning of next season with all Clubmans and Sports & Racing Cars once again eligible.

ClubSport

Our grassroots motorsport continues to grow with a lot of new members joining the ranks. As at the writing of this newsletter, we still have the final round of the Motorkhana and Autocross Championships to go (including the Discount Tyres 0-1600cc & Stresscrete 1601 & over championships). Thank you to everyone who has helped out over the season.

I have thoroughly enjoyed my time as ClubSport Convenor but, although I will still be involved, have decided to step down from the role so if you would like to step up and give it a go please put forward your nomination.

ClubSport Convenor
