

## **CIRCUIT RESOLUTION**

On Friday May 23rd 2014 representatives from Highlands Motorsport Park, Pukekohe Park Raceway, Taupo Motorsport Park, Mike Pero Motorsport Park Ruapuna, Timaru International Motor Raceway Levels, Teretonga Park, Manfeild Autocourse and Hampton Downs Motorsport Park met prior to the AGM of Motorsport New Zealand to discuss various matters arising within the Circuit Owners Group.

With the exception of Taupo Motorsport Park, which abstained from the vote due to existing contracts being in place with the BNT V8 SuperTourers, the following resolution was agreed by all of the above named circuits.

"We the undersigned circuit owners have resolved the following:

Unless V8 SuperTourers and NZV8TC TLX cars resolve to come together and compete with each other as one race and ultimately one championship, then the circuit owners will not allow their circuits to be used by these classes individually.

The decision has been taken independently of Motorsport New Zealand and is unanimous amongst the circuit owners."
