

LENNON AND MACDONALD SHARE CLUBSPORT CHAMPIONSHIP SPOILS

Jeremy Lennon and Liam MacDonald shared the spoils at Round 2 of the Evolution Motorsport ClubSport Championship at Teretonga Park on Saturday.

Cool, wet conditions greeted competitors as Lennon made a great start when he convincingly took out the first test held on grass in his Subaru Impreza 4wd before MacDonald squared the ledger in his Nissan Pulsar on the second course. The third and final Motorkhana test was on seal and Lennon won again to take overall Motorkhana honours from MacDonald with Greg Cooper placed third in his Toyota Corolla ahead of his son Josh in fourth place in the same car. Craig Allan claimed fifth in a Honda Shuttle, a car shared with his father Neil who also finished in the top ten.

MacDonald took the Autocross honours in the afternoon heading off Craig Allan, now in his Nissan 180SX, with Josh Cooper third in the Corolla. Cooper also took 0-1600cc honours from David Richardson (Honda Civic) and Southland Sports Car Club ClubSport co-ordinator Malcolm Mitchell in his Nissan NX.

Jake Shearing (Nissan Pulsar) and Hayden Fordyce in the Evolution Motorsport Nissan Sentra were new faces in the Motorkhana events while the Van Asperen family of Balclutha, father Mark and daughters Olivia, Sarah and Jasmine made the trek south for the event.

ClubSport convenor Malcolm Mitchell was pleased with the turnout as twenty-four entries contested the Motorkhana, including the two newcomers, while twenty-two tackled the Autocross.

The next round of the championship will be held at Teretonga Park on Saturday 16 October 2021.
